

CHANGE IN FILE STATUS
APPROVAL FORM

DATE February 9, 1987

CURRENT FILE NO. ACT/017/019, ACT/017/020

RECOMMENDED FILE NO. DOE/017/020

COMPANY AND MINE NAME Pencol Mining Co. - Gold Placers

REASON FOR CHANGE IN FILE STATUS

In February, 1981 Michael Jelen submitted mine and reclamation plans for two five acre placer operations in an area that has been placer mined for many years prior to the Act. The submittals were never reviewed. A September, 1983 field inspection to the main site reported " a large sedimentation pond, roads, and several gravel piles over an area of approximately 3 to 4 acres ". This inspection reported that Michael Jelen was no longer leasing the claims from the Ekker family and that the property had been recently worked by Randall Mecham of Hanksville.

Ted Ekker has been doing the assessment work at the site in recent years. The Pencol files should be placed with the DOE that Ted Ekker recently filed on the site.
